

Rotary Club of Lancaster Lifetime Membership Nomination Form

The Board of Directors is accepting nominations for Lifetime Membership in the Rotary Club of Lancaster. This membership category is intended to honor those members who have a history of distinguished service in the club but are no longer able to attend meetings regularly. Lifetime members pay no dues and are entitled to receive the Transmitter and other correspondence for life. The Board of Directors reviews and votes on lifetime member nominations. Once a lifetime member is accepted, they will be invited to attend a special ceremony at a regular club meeting where we will honor them and present them with a certificate of lifetime membership.
